

TAIWAN WEEKLY KICKSTART

TAIEX gained 4%, led by ex-TSMC Tech on renewed foreign buying; ETFs saw their first weekly outflow in four months; strong July sales and 2Q earnings beats sustained earnings upgrades

Performance: TAIEX/MXTW +3.6%/+3.3%, outperforming MXAPJ by 1.1pp. Tech led gains, driven by Hardware (+8%) and Other Semis (+6.5%), alongside Health Care (+8%) and Chemicals (+5%). Utilities (-4%), Telecom, Metals & Mining, and Banks (each -1.5% to -2.5%) lagged; TSMC +1.1%. TWD strengthened 0.9% vs. USD to 32.0 ([Exhibit 12](#))

Flows: QFIIs were net buyers of US\$5.1bn in cash equities, mainly Other Tech (+US\$3.7bn), alongside TSMC and Industrials (+US\$0.5bn each), while short futures positions increased by US\$0.8bn ([Exhibit 15](#)). **Local funds** were net buyers of US\$0.7bn, primarily in Tech and Financials ([Exhibit 16](#)). **Retail investors** were net sellers of cash equities and ETFs, further reducing margin balances, while increasing net long futures positions ([Exhibit 26](#)). **Short interest** declined modestly ([Exhibit 26](#)). **ETFs** saw US\$0.7bn of net outflows, driven by Active (-US\$0.7bn), Leveraged (-US\$0.4bn) and Dividend (-US\$0.1bn) products, partly offset by inflows into broad-market ETFs (+US\$0.5bn) ([Exhibit 31](#)).

EPS Revisions: Consensus 2027E EPS is up 1.9%, with most +ve revisions in Capital Goods and Tech ([Exhibit 50](#))

Valuations: f12m/24m PE at 19.3/15.1x (+1.8/+0.9 s.d.)

TSMC ADR Premium: Stayed at 15%; Reversal index

[GSSRTSMR](#) is at +0.4 (potential reversal, [Exhibit 51](#))

Cross-Strait Risk: [GSSRCSRI](#) down to 80 ([Exhibit 54](#))

Upcoming Data: Export Orders (Thu)

Charts of the Week

MSCI Index Review: In its August 2026 review, Taiwan will see 3/9 additions and 6/21 deletions from the MSCI Standard/IMI Index benchmarks, effective after August 31st ([Exhibit 1](#)). Taiwan's weight in MSCI EM will increase by 14bp to 27.6%. We estimate US\$6.2bn of gross two-way passive flows and US\$1.2bn net passive inflows ([Exhibit 3](#)).

2Q26 Earnings Summary: Taiwan companies have reported 2Q26 earnings, growing +132%/+31% yoy/qoq so far, with 48% beats versus 38% misses, and a median earnings/sales surprise of +14%/+4% ([Exhibit 4](#))

Monthly Sales Tacker: Listed companies' revenues grew 50% YoY in July (vs. 52% YoY in June), tracking at 34% of consensus Q3 estimates (vs. a historical average of 32%) ([Exhibit 5](#))

Regulatory disclosures

Disclosures required by United States laws and regulations

See company-specific regulatory disclosures above for any of the following disclosures required as to companies referred to in this report: manager or co-manager in a pending transaction; 1% or other ownership; compensation for certain services; types of client relationships; managed/co-managed public offerings in prior periods; directorships; registered market maker. Goldman Sachs trades or may trade as a principal in debt securities (or in related derivatives) of issuers discussed in this report.

The following are additional required disclosures: **Ownership and material conflicts of interest:** Goldman Sachs policy prohibits its analysts, professionals reporting to analysts and members of their households from owning securities of any company in the analyst's area of coverage. **Analyst compensation:** Analysts are paid in part based on the profitability of Goldman Sachs, which includes investment banking revenues. **Analyst as officer or director:** Goldman Sachs policy generally prohibits its analysts, persons reporting to analysts or members of their households from serving as an officer, director or advisor of any company in the analyst's area of coverage. **Non-U.S. Analysts:** Non-U.S. analysts may not be associated persons of Goldman Sachs & Co. LLC and therefore may not be subject to FINRA Rule 2241 or FINRA Rule 2242 restrictions on communications with a subject company, public appearances and trading in securities covered by the analysts.

Additional disclosures required under the laws and regulations of jurisdictions other than the United States

The following disclosures are those required by the jurisdiction indicated, except to the extent already made above pursuant to United States laws and regulations. **Australia:** Goldman Sachs Australia Pty Ltd and its affiliates are not authorised deposit-taking institutions (as that term is defined in the Banking Act 1959 (Cth)) in Australia and do not provide banking services, nor carry on a banking business, in Australia. This research, and any access to it, is intended only for "wholesale clients" within the meaning of the Australian Corporations Act, unless otherwise agreed by Goldman Sachs. In producing research reports, members of Global Investment Research of Goldman Sachs Australia may attend site visits and other meetings hosted by the companies and other entities which are the subject of its research reports. In some instances the costs of such site visits or meetings may be met in part or in whole by the issuers concerned if Goldman Sachs Australia considers it is appropriate and reasonable in the specific circumstances relating to the site visit or meeting. General disclosures

This research is for our clients only. Other than disclosures relating to Goldman Sachs, this research is based on current public information that we consider reliable, but we do not represent it is accurate or complete, and it should not be relied on as such. The information, opinions, estimates and forecasts contained herein are as of the date hereof and are subject to change without prior notification. We seek to update our research as appropriate, but various regulations may prevent us from doing so. Other than certain industry reports published on a periodic basis, the large majority of reports are published at irregular intervals as appropriate in the analyst’s judgment.

Goldman Sachs conducts a global full-service, integrated investment banking, investment management, and brokerage business. We have investment banking and other business relationships with a substantial percentage of the companies covered by Global Investment Research. Goldman Sachs & Co. LLC, the United States broker dealer, is a member of SIPC (<https://www.sipc.org>).

Our salespeople, traders, and other professionals may provide oral or written market commentary or trading strategies to our clients and principal trading desks that reflect opinions that are contrary to the opinions expressed in this research. Our asset management area, principal trading desks and investing businesses may make investment decisions that are inconsistent with the recommendations or views

expressed in this research.

We and our affiliates, officers, directors, and employees will from time to time have long or short positions in, act as principal in, make a market or act as liquidity provider in, and buy or sell, any securities, derivatives, or other financial instruments referred to in this research (including any financial instruments issued by the companies referred to herein), unless otherwise prohibited by regulation or Goldman Sachs policy.

The views attributed to third party presenters at Goldman Sachs arranged conferences, including individuals from other parts of Goldman Sachs, do not necessarily reflect those of Global Investment Research and are not an official view of Goldman Sachs.

Any third party referenced herein, including any salespeople, traders and other professionals or members of their household, may have positions in the products mentioned that are inconsistent with the views expressed by analysts named in this report.

This research is focused on investment themes across markets, industries and sectors. It does not attempt to distinguish between the prospects or performance of, or provide analysis of, individual companies within any industry or sector we describe.

Any trading recommendation in this research relating to an equity or credit security or securities within an industry or sector is reflective of the investment theme being discussed and is not a recommendation of any such security in isolation.

This research is not an offer to sell or the solicitation of an offer to buy any security in any jurisdiction where such an offer or solicitation would be illegal. It does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. Clients should consider whether any advice or recommendation in this research is suitable for their particular circumstances and, if appropriate, seek professional advice, including tax advice. The price and value of investments referred to in this research and the income from them may fluctuate. Past performance is not a guide to future performance, future returns are not guaranteed, and a loss of original capital may occur. Fluctuations in exchange rates could have adverse effects on the value or price of, or income derived from, certain investments.

Certain transactions, including those involving futures, options, and other derivatives, give rise to substantial risk and are not suitable for all investors. Investors should review current options and futures disclosure documents which are available from Goldman Sachs sales representatives or at <https://www.theocc.com/about/publications/character-risks.jsp> and https://www.goldmansachs.com/disclosures/cftc_fcm_disclosures. Transaction costs may be significant in option strategies calling for multiple purchase and sales of options such as spreads. Supporting documentation will be supplied upon request.

Differing Levels of Service provided by Global Investment Research: The level and types of services provided to you by Goldman Sachs Global Investment Research may vary as compared to that provided to internal and other external clients of GS, depending on various factors including your individual preferences as to the frequency and manner of receiving communication, your risk profile and investment focus and perspective (e.g., marketwide, sector specific, long term, short term), the size and scope of your overall client relationship with GS, and legal and regulatory constraints. As an example, certain clients may request to receive notifications when research on specific securities is published, and certain clients may request that specific data underlying analysts' fundamental analysis available on our internal client websites be delivered to them electronically through data feeds or otherwise. No change to an analyst's fundamental research views (e.g., ratings, price targets, or material changes to earnings estimates for equity securities), will be communicated to any client prior to inclusion of such information in a research report broadly disseminated through electronic publication to our internal client websites or through other means, as necessary, to all clients who are entitled to receive such reports.

All research reports are disseminated and available to all clients simultaneously through electronic publication to our internal client websites. Not all research content is redistributed to our clients or available to third-party aggregators, nor is Goldman Sachs responsible for the redistribution of our research by third party aggregators. For research, models or other data related to one or more securities, markets or asset classes (including related services) that may be available to you, please contact your GS representative or go to <https://research.gs.com>.

Disclosure information is also available at <https://www.gs.com/research/hedge.html> or from Research Compliance, 200 West Street, New York, NY 10282.
