September 26 China ESS shipments reached a record high of 112.2GWh, representing 91%YoY and flat MoM growth. Our industry model can be downloaded here (Link). Domestic shipments remained the key driver, 91% YoY to 108.4GWh. **For 2026YTD, China ESS shipments reached 837.2GWh, up 96% YoY.** We have revised our 2026 forecast to 1,206GWh, with YTD shipments representing 70% of our estimate.

China ESS tender activity remained strong in September, with tender volumes up 74% YoY, pointing to robust demand growth ahead. Tender volumes reached 62.0GWh, bringing 2026 YTD volumes to 582.2GWh, **up 83% YoY**. Winning-bid volumes reached 41.6GWh, **up 14% YoY**. **ESS installations rising 77% YoY to 14.1GWh in September and bringing 2026 YTD installations to 92.6GWh, up 40% YoY.** Our regression based on China tender volumes and overseas orders points to robust shipments of **370GWh in 4Q26, up 74% YoY, followed by 346GWh in 1Q27, up c.60% YoY.**

CATL retained its leading position in ESS battery shipments, although growth rates for leading players was less than market growth implying capacity constraints. Monthly ESS battery shipment volumes reached 112.2GWh in September doubled YoY. **CATL** shipped 24.0GWh of ESS LiBs in September, up 78% YoY, with an industry leading 2026YTD market share of 21.4%. **EVE** shipped 10.0GWh (+47% YoY), with 9.2% YTD market share and **Hithium** which shipped 10.5GWh (+50% YoY), also with 9.3% YTD market share are the closest rivals to CATL. **CORNEX** shipped 7.8GWh (239% YoY), with 6.9% YTD market share, while **CALB** shipped 6.8GWh (+42% YoY), with 6.3% YTD market share. Ganfeng, Great Power and Cornex have shown the fastest growth this year, with triple digit volume increase.

China ESS monthly capacity reached 121.0GWh in September, increasing 70% YoY and 2% MoM which was well below demand growth implying a tighter market. CATL remained the leading player with 24.2GWh of monthly capacity, representing 20.1% of industry capacity in China. SVOLT has the highest capacity growth rate with 395% YoY to 2.1 GWh followed by Lishen with 141% YoY to 2.0GWh.

China ESS plant utilization remained at a high level, with production utilization reaching 95%, up from 85% in the same period last year. This signals tightening near-term market conditions as demand growth catches up with industry capacity.

Outside China, US ESS battery installations rebounded in September, increasing 43% yoy to 3.4GWh, according to EIA data. This brought YTD 2026 installations to 31.1GWh, broadly flat yoy.

German ESS installations continued to post strong yoy growth in September, led by large-scale storage deployments. Battery installations reached 1.3GWh, up 178% yoy, including 0.7GWh of large-scale storage (+2,268% yoy), 0.05GWh of industrial storage (+26% yoy), and 0.57GWh of residential storage (+40% yoy). For 2026 YTD, German ESS battery installations reached 7.9GWh, up 68% yoy.

INVESTMENT IMPLICATIONS

Record growth in energy storage deployment continued this month with monthly shipments reaching 112.2GWh. China demand is particularly strong driven by falling costs in battery costs and a more supportive policy environment which makes the economics of energy storage more attractive. Year to date shipments in China reached 837.2 GWh, up 96% YoY. China's tendering activity show momentum in September, 74%yoy to 62.0GWh showing strong demand in the future. Our regression based on China tender volumes and overseas orders points to robust shipments of 370GWh in 4Q26, up 74% YoY, followed by 346GWh in 1Q27, up c.60% YoY, and we have revised our 2026 forecast to 1,206GWh, with YTD shipments representing 70% of our estimate. Winning-bid volumes slightly slow down but still a 14% yoy to 41.6GWh. While China dominates the storage market, international demand is also accelerating. Germany showed strong growth, with battery installations up 178% YoY to 1.3GWh, led by large-scale storage at 0.70GWh (+2268% YoY). US ESS installations rebounded in September, rising 43% yoy to 3.4GWh, while 2026 YTD installations remained broadly flat yoy at 31.1GWh. Among China battery makers, CATL retained its leading position with 24.0GWh of September ESS shipments (+78% YoY) and 21.4% YTD market share. Despite the decline in CATL share price following disappointing 3Q26 results as a result of margin compression, we still believe it will be the long term industry winner. We rate CATL Outperform with a price target of HKD460 (H-share) and HKD480 (A-share)

DETAILS

This report is a companion report to our monthly EV tracker. The data we use comes from various sources and our analysis looks at installation, shipment and production, figures from multiple sources. The database is updated on a monthly basis with a one-month lag.

The following note is divided into 6 sections:

1. ESS OVERVIEW

2. CHINA ESS OVERVIEW

3. U.S. ESS OVERVIEW

4. GERMANY ESS OVERVIEW

5. BATTERY COMPANIES OVERVIEW

6. ESS ESTIMATION AND FUTURE OUTLOOK

1. ESS OVERVIEW

- September China ESS shipments reached 112.2GWh, representing 91% YoY and flat MoM growth. Utilization rate keep at a high level to 95% in September, up from 85% in September 2025. China ESS tenders reached 62.0GWh, up 74% YoY. China ESS installations reached 14.1GWh this month, up 77% YoY
- U.S. ESS installations reached 3.4GWh, up 43% YoY.
- Germany ESS installations reached 1.3GWh, up 178% YoY, supported by a strong rebound from February.

2. CHINA ESS OVERVIEW: 2026 YTD ESS SHIPMENT 837GWH (96% YOY)

- September China ESS shipments were **112.2GWh** (91% YoY, 0% MoM). Domestic shipments were 91% YoY to 108.4GWh (94% YoY in 2026YTD) while Overseas shipments were 82% YoY to 3.8GWh (165% YoY in 2026YTD). 2026 YTD China ESS shipments reached 837.2GWh, 96% YoY. (Exhibit 2)
- During the month, CATL led the market with 24.0GWh(78% YoY, 21.4% M/S), followed by Hithium with 10.5GWh(50% YoY, 9.4% M/S), EVE with 10.0GWh (47% YoY, 8.9% M/S), CORNEX with 7.8GWh(239% YoY, 6.9% M/S), and CALB with 6.8GWh(42% YoY, 6.1% M/S) (Exhibit 3 to Exhibit 6)
- During the month, CORNEX recorded the highest YoY growth rate at 239% to 7.8GWh, followed by Ganfeng at182% YoY to 4.8 GWh, Great power at 167% YoY to 4.8GWh,Envision at 96% YoY to 5.5GWh and CATL at 78% YoY to

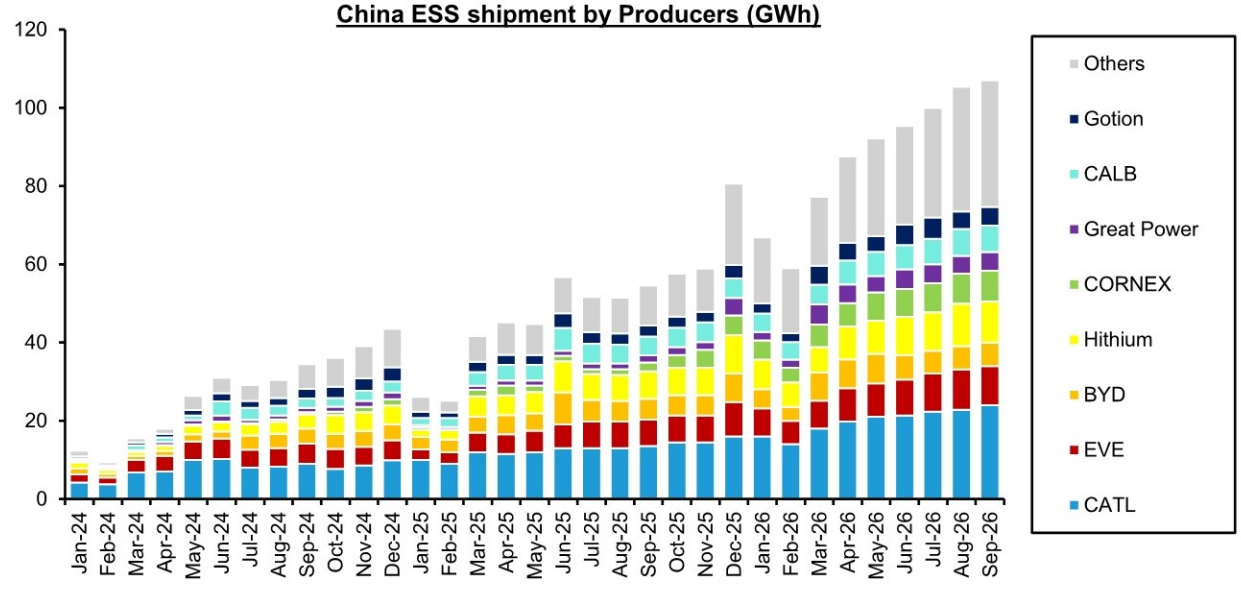

24.0GWh. (Exhibit 5).

- September China ESS tender batteries were **62.0GWh** (+74% YoY). Shared were 5.4GWh, C&I were 0.1GWh, centralized were 0.0 GWh and standalone were 56.1GWh. Solar and wind 0.4GWh (Exhibit 15).

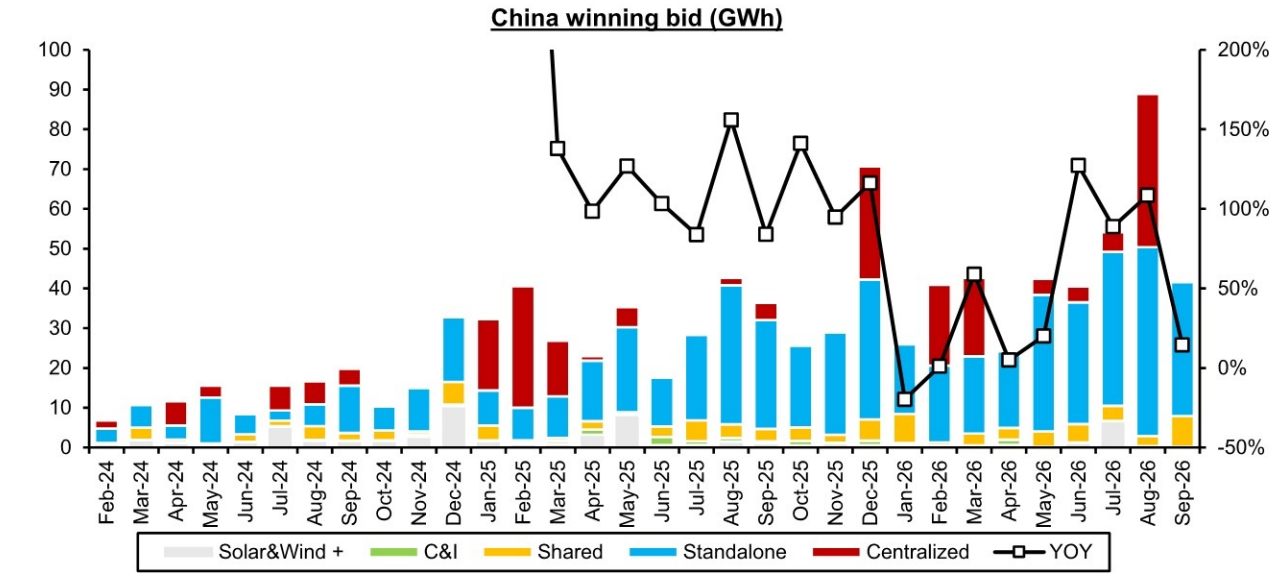

EXHIBIT 15: **Monthly China ESS tender(GWh)**

Source: ICC data center, Bernstein analysis

- September China ESS winning bid batteries were **41.6GWh** (14% YoY). Shared were 7.7GWh, C&I were 0.1GWh, Standalone were 33.6GWh, Centralized were 0.0GWh, Solar and wind were 0.1GWh.(Exhibit 16)

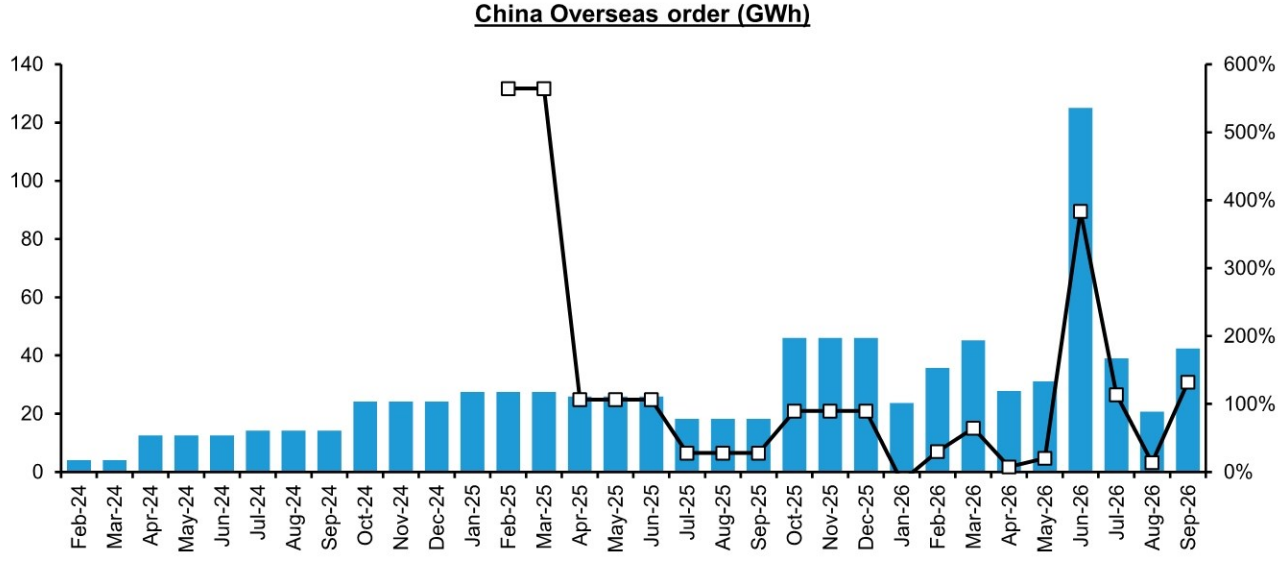

EXHIBIT 16: **Monthly China ESS winning bid(GWh)**

Source: ICC data center, Bernstein analysis

- September China ESS overseas order were **42.8GWh** (+133% YoY). 2026YTD orders reaches 390.8GWh, 91% YoY (Exhibit 17).

EXHIBIT 17: **Monthly China overseas order**

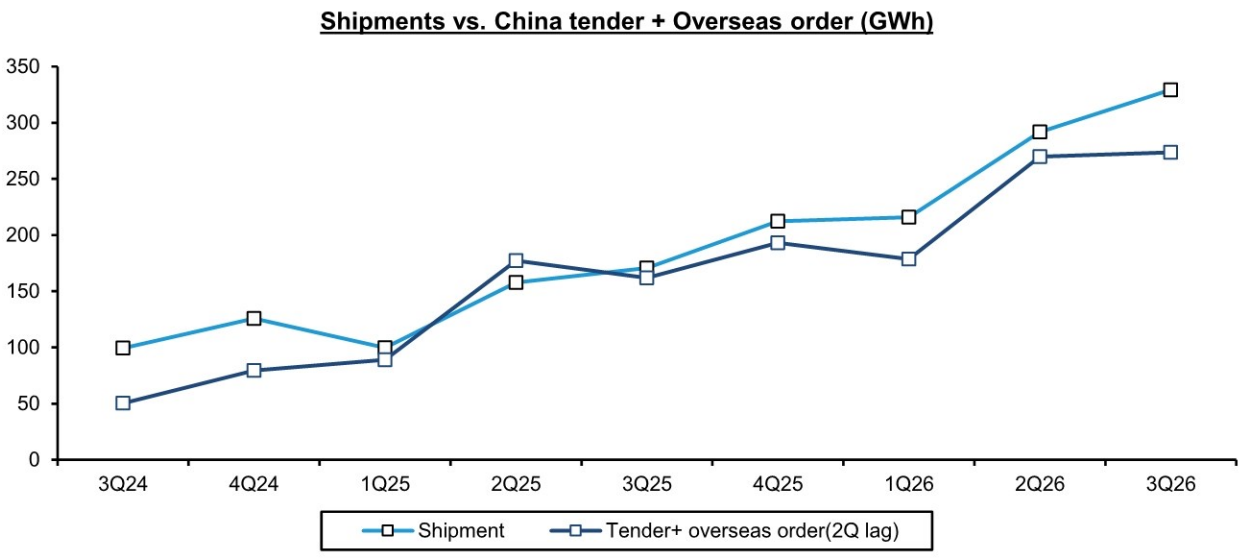

Source: CESA, Bernstein analysis

SHIPMENT OUTLOOK: STRONG GROWTH EXTENDS INTO 1Q27

3Q shipments were in line with our regression.

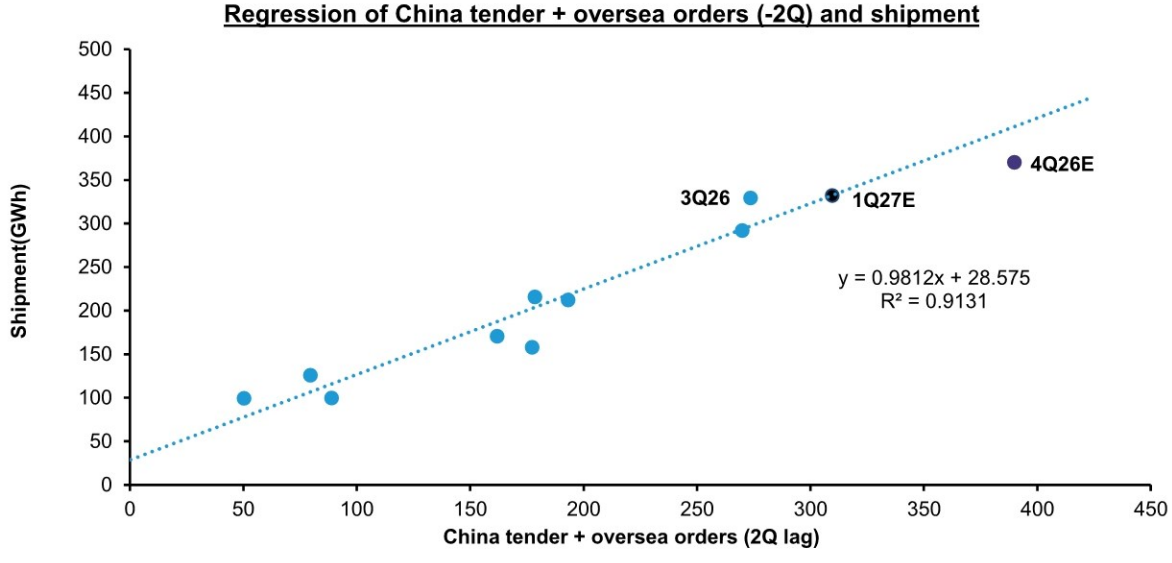

EXHIBIT 18: **ESS Shipment Trends: Shipments closely track China tenders and overseas orders with a two-quarter lag**

Source: CESA, ICC data center, Bernstein analysis

Shipments closely track the earlier order pipeline. The historical series shows Chinese manufacturers' ESS battery shipments moving closely with combined China tenders and overseas orders two quarters earlier. This relationship makes lagged order activity a useful indicator of upcoming shipments, rather than simply a confirmation of demand already delivered.

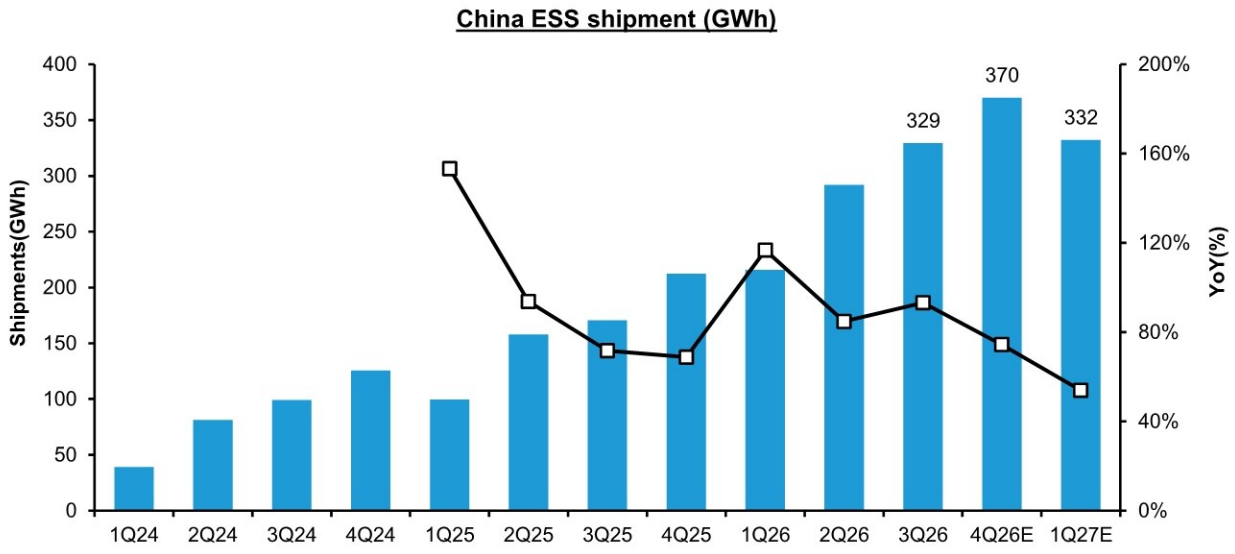

EXHIBIT 19: **ESS Shipment Regression: Lagged China tenders and overseas orders show a strong fit with shipments**

Source: CESA,, ICC data center, Bernstein analysis

We expect shipments of 370GWh in 4Q26 and 332GWh in 1Q27, up 74% and 54% YoY, respectively.

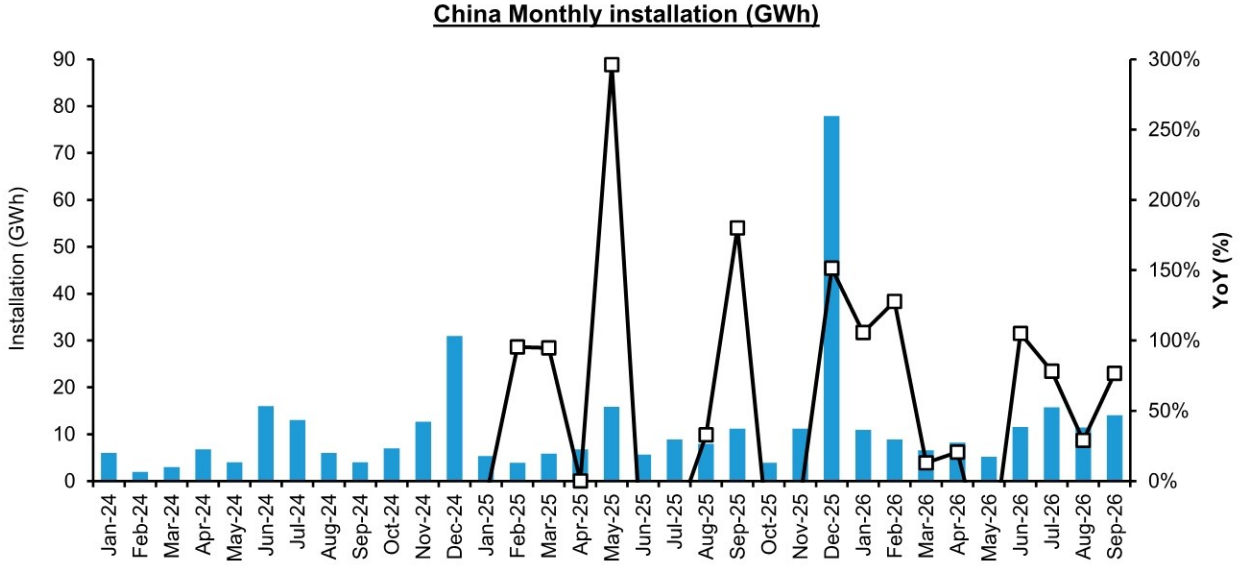

EXHIBIT 20: **China ESS Shipment Outlook: We expect shipments of 432GWh in 4Q26 and 346GWh in 1Q27,up 104% and 60% yoy**

Source: ICC data center, Bernstein analysis and esitmates

- September China ESS installations were **14.1GWh** (77% YoY). 2026YTD China ESS installation reached 92.6GWh, 40% YoY.
  (Exhibit 21)

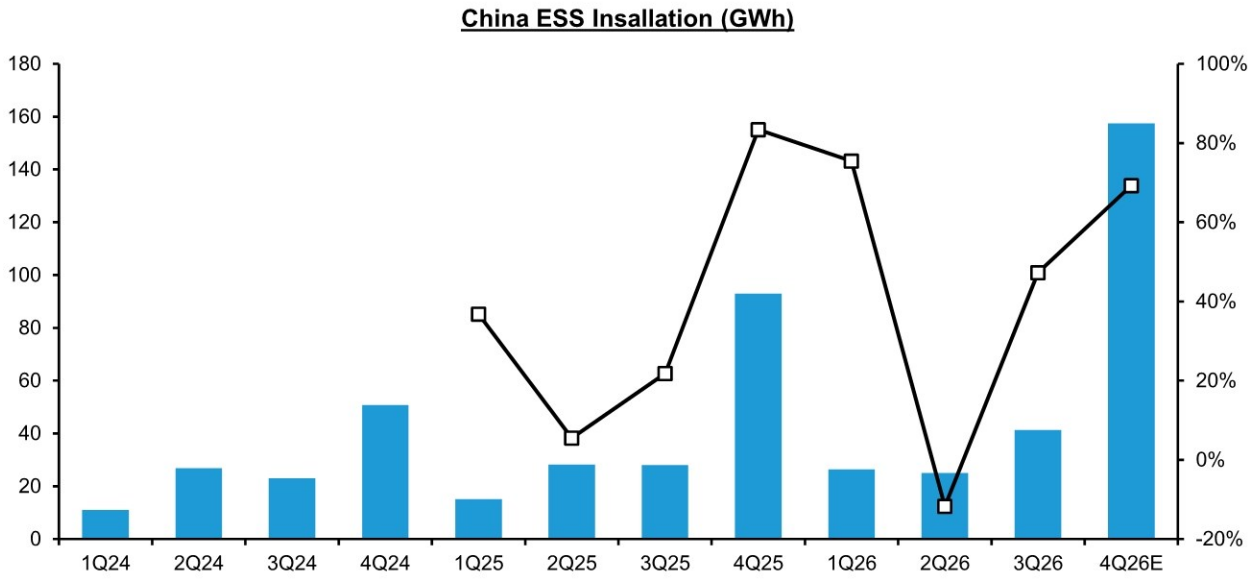

EXHIBIT 21: **China ESS Monthly ESS Installations**

Source: CNESA, Bernstein analysis

We estimate China ESS installations will reach 157GWh in 4Q26, up 69% YoY, based on our 2026E forecast.

5. BATTERY MAKERS ESS OVERVIEW

- CATL (OP, PT CNY480) retains its leading position, with monthly shipments of 24.0GWh LiBs (+78% YoY) .CATL's market share of ESS batteries shipment was 21.4% in 2026YTD.
- Hithium (not covered) LiB monthly shipments for ESS were 10.5GWh, +50% YoY. Hithium's market share of ESS batteries shipment was 9.3% in 2026YTD .
- CALB (not covered) LiB monthly shipments for ESS were 6.8GWh, +42% YoY. CALB's market share of ESS batteries shipment was 6.3% in 2026YTD.
- BYD (Covered by Eunice Lee) LiB monthly shipments for ESS were 6.0GWh, 13% YoY. BYD's market share of ESS batteries shipment was 6.5% in 2026YTD.
- EVE (not covered) LiB monthly shipments for ESS were 10.0GWh, +47% YoY. EVE's market share of ESS batteries shipment was 9.3% in 2026YTD.

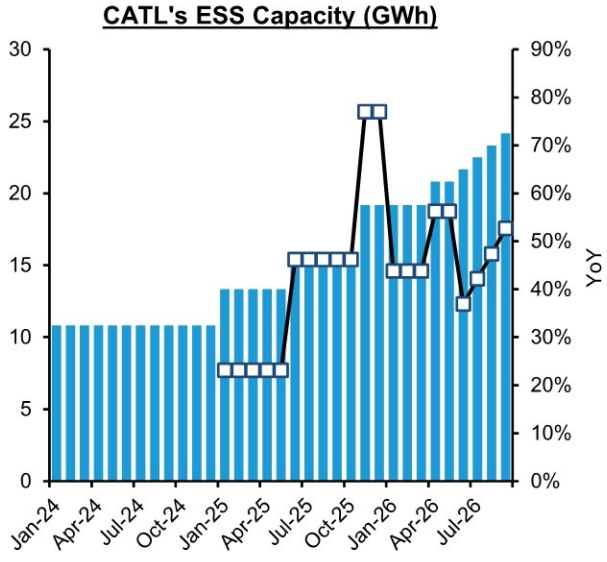

CATL: 2026YTD ESS BATTERY SHIPMENT INCREASED BY 67% YOY TO 179.2GWH (M/S AT 21.4%)

6. ESS ESTIMATION AND FUTURE OUTLOOK

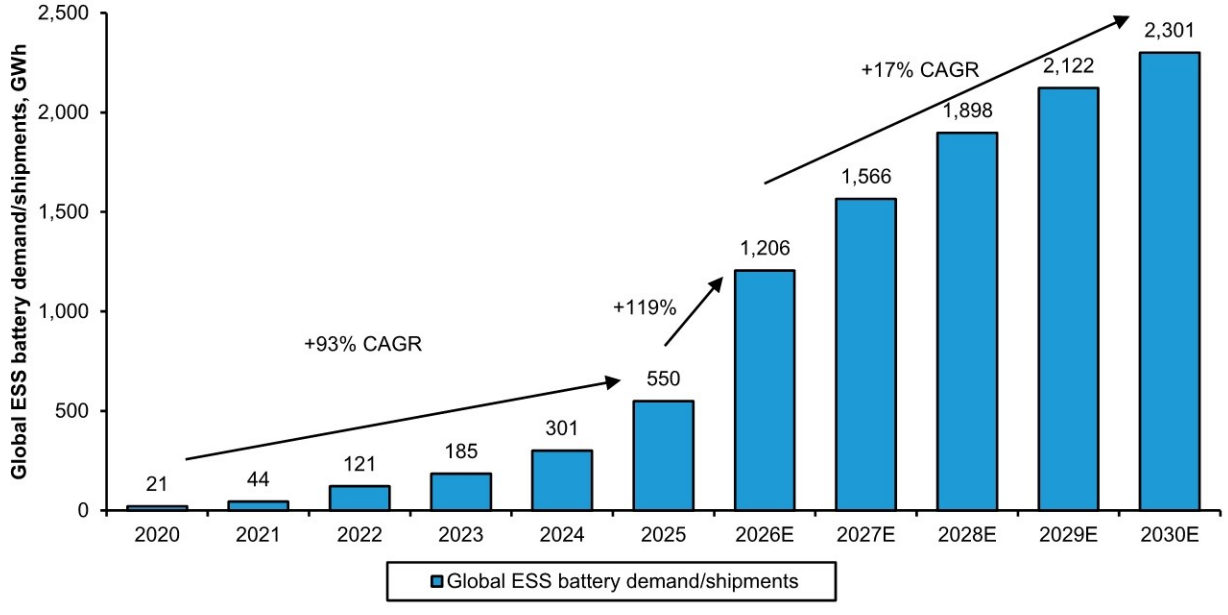

Since the beginning of the year, we have adopted a more positive outlook on ESS and elevated our forecast to capture the higher ESS penetration driven by improved economics and the critical role of ESS in ensuring grid stability. For 2025 global ESS demand growth was 83% YoY to 550GWh, we forecast 2026 global ESS demand growth as 119% YoY to 1,206GWh. Based on data we track here. Looking further ahead, our long-term expectations for 2030 have been 2,301GWh with a 17% CAGR. Overall, the increase in ESS underscores the importance of ESS technologies as economic viability improves and the importance for grid resilience intensifies worldwide.

Or, you can also write to the Director of Compliance, Bernstein Institutional Services LLC, 245 Park Avenue, New York, NY 10167.

RATINGS DEFINITIONS, BENCHMARKS AND DISTRIBUTION

EQUITY RATINGS DEFINITIONS

Bernstein brand

The Bernstein brand rates stocks based on forecasts of relative performance for the next 12 months versus the S&P 500 for stocks listed on the U.S. and Canadian exchanges, versus the Bloomberg Europe Developed Markets Large and Mid Cap Price Return Index EUR (EDME) for stocks listed on the European exchanges and emerging markets exchanges outside of the Asia Pacific region, versus the Bloomberg Japan Large and Mid Cap Price Return Index USD (JPL) for stocks listed on the Japanese exchanges, and versus the Bloomberg Asia ex-Japan Large and Mid Cap Price Return Index (ASIAX) for stocks listed on the Asian (ex-Japan) exchanges -unless otherwise specified.

The Bernstein brand has three categories of ratings:

- Outperform: Stock will outpace the market index by more than 15 pp
- Market-Perform: Stock will perform in line with the market index to within +/-15 pp
- Underperform: Stock will trail the performance of the market index by more than 15 pp

Coverage Suspended: Coverage of a company under the Bernstein research brand has been suspended. Ratings and price targets are suspended temporarily, are no longer current, and should therefore not be relied upon.

Not Rated: A rating assigned when the stock cannot be accurately valued, or the performance of the company accurately predicted, at the present time. The covering analyst may continue to publish research reports on the company to update investors on events and developments.

Not Covered (NC) denotes companies that are not under coverage.

Bernstein brand stock ratings are based on a 12-month time horizon.

Autonomous brand – common stocks

The Autonomous brand rates common stocks as indicated below. As our benchmarks we use the Bloomberg Europe 600 Financials Price Return Index (E600BK) and Bloomberg Europe Dev Mkt Financials Large and Mid Cap Price Ret Index EUR (EDMFI) index for developed European banks and Payments, the Bloomberg Europe 600 Insurance Price Return Index (E600IN) for European insurers, the S&P 500 and S&P Financials for US banks and Payments coverage, S5LIFE for US Insurance, the S&P Insurance Select Industry (SPSIINS) for US Non-Life Insurers coverage, the Bloomberg Emerging Markets Financials Large, Mid and Small Cap Price Return Index (EMLSF) for emerging market banks and insurers and Payments, and the Bloomberg Japan Financials Large & Mid Cap Price Return Index (JPFILM) for Japanese Financials. Ratings are stated relative to the sector (not the market).

The Autonomous brand has three categories of common stock ratings:

- Outperform (OP): Stock will outpace the relevant index by more than 10 pp
- Neutral (N): Stock will perform in line with the market index to within +/-10 pp
- Underperform (UP): Stock will trail the performance of the relevant index by more than 10 pp

Coverage Suspended: Coverage of a company under the Autonomous research brand has been suspended. Ratings and price targets are suspended temporarily, are no longer current, and should therefore not be relied upon.

Not Rated: A rating assigned when the stock cannot be accurately valued, or the performance of the company accurately predicted, at the present time. The covering analyst may continue to publish research reports on the company to update investors on events and developments.

Those denoted as 'Feature' (e.g., Feature Outperform FOP, Feature Under Outperform FUP) are our core ideas.

Not Covered (NC) denotes companies that are not under coverage.

Autonomous brand common stock ratings are based on a 12-month time horizon.

Autonomous brand – preferred stocks

The Autonomous brand has three categories of preferred stock ratings:

- Outperform (OP): The total return of the preferred instrument is expected to outperform preferred securities of other issuers operating in similar sectors or rating categories over the next six months.
- Neutral (N): The total return of the preferred instrument is expected to perform in line with preferred securities of other issuers operating in similar sectors or rating categories over the next six months.
- Underperform (UP): The total return of the preferred instrument is expected to underperform preferred securities of other issuers operating in similar sectors or rating categories over the next six months.

Autonomous preferred stock ratings are based on a 6-month time horizon.

AUTONOMOUS CREDIT RESEARCH

Where this report contains investment recommendations for credit instruments, as defined in article 3(1)(35) of the Market Abuse Regulation, the information below is presented to comply with its disclosure requirements.

The report may also include reference(s) to published opinions by other Autonomous or Bernstein analysts covering the equity securities of the issuer(s) referenced herein. Please note an investment recommendation for credit instruments published by the author(s) of this report may differ from the published view of the analyst covering equity securities for the issuer(s) contained in this report and vice versa.

CREDIT RATINGS DEFINITIONS

The Autonomous brand has three categories of credit ratings:

- Credit Outperform (C-OP): The total return of the Reference Credit Instrument is expected to outperform the credit spread of bonds of other issuers operating in similar sectors or rating categories over the next six months.

- Credit Neutral (C-N): The total return of the Reference Credit Instrument is expected to perform in line with the credit spread of bonds of other issuers operating in similar sectors or rating categories over the next six months.

- Credit Underperform (C-UP): The total return of the Reference Credit Instrument is expected to underperform the credit spread of bonds of other issuers operating in similar sectors or rating categories over the next six months.

Autonomous credit ratings are based on a 6-month time horizon.

A list of all investment recommendations produced by the author(s) of this report alongside credit ratings history are available upon request.

It is at the sole discretion of the Firm as to when to initiate, update and cease research coverage. The Firm has established, maintains and relies on information barriers to control the flow of information contained in one or more areas (i.e. the private side) within the Firm, and into other areas, units, groups or affiliates (i.e. public side) of the Firm

DISTRIBUTION OF EQUITY RATINGS/INVESTMENT BANKING SERVICES

Equity Rating	Market Abuse Regulation (MAR) and FINRA Rating Category	Global Rating Distribution	Investment Banking Relationships*
Outperform	BUY	52.3%	14.2%
Market-Perform (Bernstein Brand) Neutral (Autonomous Brand)	HOLD	35.6%	16.1%
Underperform	SELL	12.1%	13.6%

* These figures represent the percentage of companies within each equity rating category for which affiliates of Bernstein have provided investment banking services within the previous 12 months.
As of September 30, 2026. All figures are updated quarterly.

PRICE CHARTS/ RATINGS AND PRICE TARGET HISTORY

This research publication covers six or more companies. For price chart and other company disclosures, please visit https://bernstein-autonomous.bluematrix.com/sellside/Disclosures.action or you can write to the Director of Compliance, Bernstein Institutional Services LLC, 245 Park Avenue, New York, NY 10167.

CONFLICTS OF INTEREST

SG and/or its affiliates beneficially own 0.5% or more of [the total issued share capital/any class of common equity securities] with a net [long/short] position of: Contemporary Amperex Technology Co Ltd.

An affiliate of Bernstein has received compensation for non-investment banking securities-related products or services in the previous twelve months from the following clients: Contemporary Amperex Technology Co Ltd.

Bernstein and/or affiliates have received compensation for non-investment banking securities-related products or services in the previous twelve months from the following clients: Contemporary Amperex Technology Co Ltd, Samsung SDI Co Ltd, LG Energy Solution, LG Chem Ltd and EcoPro BM.

Bernstein has received compensation for non-investment banking securities-related products or services in the previous twelve months from the following clients: Samsung SDI Co Ltd.

Certain affiliates of Bernstein act as market maker or liquidity provider in the debt securities of: LG Energy Solution and LG Chem Ltd.

OTHER MATTERS

The legal entity(ies) employing the analyst(s) listed in this report, and their location, can be determined by the country code of their phone number, as follows:

+65 Sanford C. Bernstein (Singapore) Private Limited; Singapore

+81 Sanford C. Bernstein Japan KK; Tokyo, Japan

Where this report has been prepared by research analyst(s) employed by a non-US affiliate, such analyst(s), is/are (unless otherwise expressly noted below) not registered as associated persons of Bernstein Institutional Services LLC or any other SEC-registered broker-dealer and are not licensed or qualified as research analysts with FINRA. Accordingly, such analyst(s) may not be subject to FINRA's restrictions regarding (among other things) communications by research analysts with a subject company, interactions between research analysts and investment banking personnel, participation by research analysts in solicitation and marketing activities relating to investment banking transactions, public appearances by research analysts, and trading securities held by a research analyst account.

Where this report has been prepared by research analyst(s) employed by Société Générale Africa Technologies & Services (part of the Société Générale group of companies), it has been prepared on behalf of a Bernstein company under a Global Services Agreement in place between Bernstein and Société Générale.

CERTIFICATION

Each research analyst listed in this report, who is primarily responsible for the preparation of the content of this report, certifies that all of the views expressed in this publication accurately reflect that analyst's personal views about any and all of the subject securities or issuers and that no part of that analyst's compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views in this publication.

II. ADDITIONAL GLOBAL CONFLICT DISCLOSURES

It is at the sole discretion of the Firm as to when to initiate, update and cease research coverage. The Firm has established, maintains and relies on information barriers to control the flow of information contained in one or more areas (i.e., the private side) within the Firm, and into other areas, units, groups or affiliates (i.e., public side) of the Firm.

III. OTHER IMPORTANT INFORMATION AND DISCLOSURES

Separate branding is maintained for "Bernstein" and "Autonomous" research products.

- Bernstein produces a number of different types of research products including, among others, fundamental analysis and quantitative analysis under both the "Autonomous" and "Bernstein" brands. Recommendations contained within one type of research product may differ from recommendations contained within other types of research products, whether as a result of differing time horizons, methodologies or otherwise. Furthermore, views or recommendations within a research product issued under one brand may differ from views or recommendations under the same type of research product issued under the other brand. The Research Ratings System for the two brands and other information related to those Rating Systems are included in the previous section.

- Autonomous operates as a separate business unit within the following entities: Bernstein Institutional Services LLC, Bernstein Autonomous LLP, Sanford C. Bernstein (Hong Kong) Limited 盛博香港有限公司 and Sanford C. Bernstein (India) Private Limited. For information relating to "Autonomous" branded products (including certain Sales materials) please visit: www.autonomous.com. For information relating to Bernstein branded products please visit: www.bernsteinresearch.com.

Analysts are compensated based on aggregate contributions to the research franchise as measured by account penetration, productivity and proactivity of investment ideas. No analysts are compensated based on performance in, or contributions to, generating investment banking revenues.

This report has been produced by an independent analyst as defined in Article 3 (1)(34)(i) of EU 596/2014 Market Abuse Regulation ("MAR") and the same article of MAR as it forms part of United Kingdom domestic law by virtue of the European Union (Withdrawal) Act 2018.

To our readers in the United States: Bernstein Institutional Services LLC, a broker-dealer registered with the U.S. Securities and Exchange Commission ("SEC") and a member of the U.S. Financial Industry Regulatory Authority, Inc. ("FINRA") is distributing this publication in the United States and accepts responsibility for its contents. Where this material contains an analysis of debt product(s), such material is intended only for institutional investors and is not subject to the US independence and disclosure standards applicable to debt research prepared for retail investors.

Bernstein Institutional Services LLC may act as principal for its own account or as agent for another person (including an affiliate) in sales or purchases of any security which is a subject of this report. This report does not purport to meet the objectives or needs of any specific individuals, entities or accounts.

To our readers in Canada: If this publication pertains to a Canadian domiciled company, it is being distributed in Canada by Sanford C. Bernstein (Canada) Limited, which is licensed and regulated by the Canadian Investment Regulatory Organization. If the publication pertains to a non-Canadian domiciled company, it is being distributed by Bernstein Institutional Services LLC, which is licensed and regulated by both the SEC and FINRA, into Canada under the International Dealers Exemption.

This document may not be passed onto any person in Canada unless that person qualifies as "permitted client" as defined in Section 1.1 of NI 31-103.

To our readers in Brazil: This report has been prepared by Bernstein Institutional Services LLC, and Banco BTG Pactual S.A. ("BTG") is responsible for the distribution of this report in Brazil.

To readers in the United Kingdom: This publication has been issued or approved for issue in the United Kingdom by Bernstein Autonomous LLP, authorised and regulated by the Financial Conduct Authority and located at 60 London Wall, London EC2M 5SH, +44 (0)20-7170-5000. Registered in England & Wales No OC343985.

This document is for distribution only to persons who (i) have professional experience in matters relating to investments falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended, the "Financial Promotion Order"), (ii) are persons falling within Article 49(2)(a) to (d) ("high net worth companies, unincorporated associations, etc.") of the Financial Promotion Order, (iii) are outside the United Kingdom, or (iv) are persons to whom an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) in connection with the issue or sale of any securities may otherwise lawfully be communicated or caused to be communicated (all such persons together being referred to as "relevant persons"). This document is directed only at relevant persons and must not be acted on or relied on by persons who are not relevant persons. Any investment or investment activity to which this document relates is available only to relevant persons and will be engaged in only with relevant persons.

To our readers in the member states of the EEA: This publication is being distributed by BSG France SA, which is authorised and regulated by the Autorité de Contrôle Prudentiel et de Résolution (ACPR) and Autorité des Marchés Financiers (AMF).

To our readers in Hong Kong: This publication is being distributed in Hong Kong by Sanford C. Bernstein (Hong Kong) Limited 盛博香港有限公司, which is licensed and regulated by the Hong Kong Securities and Futures Commission (Central Entity No. AXC846) to carry out Type 4 (Advising on Securities) regulated activities and subject to the licensing conditions mentioned in the SFC Public Register (https://www.sfc.hk/publicregWeb/corp/AXC846/details)). This publication is solely for professional investors, as defined in the Securities and Futures Ordinance (Cap. 571). The purpose of this report is solely to provide an analysis of the issuers referred to in this report and is not intended for any purpose contrary to the laws of Hong Kong.

To our readers in Singapore: This publication is being distributed in Singapore by Sanford C. Bernstein (Singapore) Private Limited, only to accredited investors or institutional investors, as defined in the Securities and Futures Act 2001 of Singapore ("SFA"). Recipients in Singapore should contact Sanford C. Bernstein (Singapore) Private Limited in respect of matters arising from, or in connection with, this publication. Sanford C. Bernstein (Singapore) Private Limited is regulated by the Monetary Authority of Singapore and licensed under the SFA as a capital markets services licence holder for dealing in capital markets products that are

securities and collective investment schemes and an exempt financial adviser for advising on, issuing and promulgating analyses and reports on securities. Sanford C. Bernstein (Singapore) Private Limited is registered in Singapore with Company Registration No. 20213710W and located at 8 Marina Boulevard, #12-01, Marina Bay Financial Centre, Singapore 018981, +65-6326-7000.

To our readers in the People's Republic of China: The securities referred to in this document are not being offered or sold and may not be offered or sold, directly or indirectly, in the People's Republic of China (for such purposes, not including the Hong Kong and Macau Special Administrative Regions or Taiwan, the "PRC") in contravention of any applicable laws of the PRC.

This document does not constitute an offer to sell or the solicitation of an offer to buy any securities in the PRC to any person to whom it is unlawful to make the offer or solicitation in the PRC.

We do not represent that this document may be lawfully distributed, or that any securities may be lawfully offered, in compliance with any applicable registration or other requirements in the PRC, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by us which would permit a public offering of any securities or distribution of this document in the PRC. Accordingly, the securities are not being offered or sold within the PRC by means of this document or any other document. Neither this document nor any advertisement or other offering material may be distributed or published in the PRC, except under circumstances that will result in compliance with any applicable laws and regulations.

To our readers in Japan: This publication is being distributed in Japan by Sanford C. Bernstein Japan KK (サンフォード・C・バーンスタイン株式会社), which is registered in Japan as a Financial Instruments Business Operator with the Kanto Local Finance Bureau (registration number: The Director-General of Kanto Local Finance Bureau (FIBO) No.3387) and regulated by the Financial Services Agency. It is also a member of Investment Management Association of Japan. This publication is solely for qualified institutional investors in Japan only, as defined in Article 2, paragraph (3), items (i) of the Financial Instruments and Exchange Act.

For the institutional client readers in Japan who have been granted access to the Bernstein website by Daiwa Securities Group Inc. ("Daiwa"), your access to this document should not be construed as meaning that Bernstein is providing you with investment advice for any purposes. Whilst Bernstein has prepared this document, your relationship is, and will remain with, Daiwa, and Bernstein has neither any contractual relationship with you nor any obligations towards you.

To our readers in Australia: Sanford C. Bernstein (Hong Kong) Limited 盛博香港有限公司 is responsible for distributing research in Australia. It is regulated by the Securities and Exchange Commission under U.S. laws, by the Financial Conduct Authority under U.K. laws, which differs from Australian laws. Sanford C. Bernstein (Hong Kong) Limited 盛博香港有限公司 is exempt from the requirement to hold an Australian financial services license under the Corporations Act 2001 in respect of the provision of the following financial services to wholesale clients:

- providing financial product advice;
- dealing in a financial product;
- making a market for a financial product; and
- providing a custodial or depository service.

To our readers in India: This publication is being distributed in India by Sanford C. Bernstein (India) Private Limited (SCB India) which is licensed and regulated by Securities and Exchange Board of India ("SEBI") as a research analyst entity under the SEBI (Research Analyst) Regulations, 2014, having registration no. LEGAL

All research publications are disseminated to our clients through posting on the firm's password protected websites, bernsteinresearch.com and autonomous.com. Certain, but not all, research publications are also made available to clients through

third-party vendors or redistributed to clients through alternate electronic means as a convenience.

This publication has been published and distributed in accordance with the Firm's policy for management of conflicts of interest in investment research, a copy of which is available from Bernstein Institutional Services LLC, Director of Compliance, 245 Park Avenue, New York, NY 10167. Additional disclosures and information regarding Bernstein's business are available on our website www.bernsteinresearch.com.

The securities described herein may not be eligible for sale in all jurisdictions or to certain categories of investors where that permission profile is not consistent with the licenses held by the entities noted herein. This document is for distribution only as may be permitted by law. This publication is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of, or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation or which would subject any of the entities referenced herein or any of their subsidiaries or affiliates to any registration or licensing requirement within such jurisdiction. This publication is based upon public sources we believe to be reliable, but no representation is made by us that the publication is accurate or complete. We do not undertake to advise you of any change in the reported information or in the opinions herein. This publication was prepared and issued by entity referred to herein for distribution to eligible counterparties or professional clients. This publication is not an offer to buy or sell any security, and it does not constitute investment, legal or tax advice. The investments referred to herein may not be suitable for you. Investors must make their own investment decisions in consultation with their professional advisors in light of their specific circumstances. The value of investments may fluctuate, and investments that are denominated in foreign currencies may fluctuate in value as a result of exposure to exchange rate movements. Information about past performance of an investment is not necessarily a guide to, indicator of, or assurance of, future performance.

This report is directed to and intended only for our clients who are “eligible counterparties”, “professional clients”, “institutional investors” and/or “professional investors” as defined by the aforementioned regulators, and must not be redistributed to retail clients as defined by the aforementioned regulators. Retail clients who receive this report should note that the services of the entities noted herein are not available to them and should not rely on the material herein to make an investment decision. The result of such act will not hold the entities noted herein liable for any loss thus incurred as the entities noted herein are not registered/ authorised/ licensed to deal with retail clients and will not enter into any contractual agreement/arrangement with retail clients. This report is provided subject to the terms and conditions of any agreement that the clients may have entered into with the entities noted herein. All research reports are disseminated on a simultaneous basis to eligible clients through electronic publication to our client portal.

The information in this report was prepared by Bernstein solely for the internal business use of our clients. Clients may store, display, analyze, reformat and print the information in this report for this limited use only. Clients may not copy, alter, create derivative works, resell, reverse engineer, commercially exploit, share or distribute any part of the information contained herein for any purpose without Bernstein’s express written consent. These restrictions include extracting data or using the content to develop indices or other products. Further, you may not use this report, or any portion of this report, to train or finetune any third-party machine learning or artificial intelligence system, or as a prompt or input into any such system. You also may not, without Bernstein’s express written consent, do any of the foregoing in connection with your own internal machine learning or artificial intelligence system.

Bernstein may use artificial intelligence tools in the preparation of its materials. Any such materials are reviewed by Bernstein’s research analysts prior to publication.

This report has been prepared for information purposes only and is based on current public information that we consider reliable, but the entities noted herein do not warrant or represent (express or implied) as to the sources of information or data contained herein are accurate, complete, not misleading or as to its fitness for the purpose intended even though the entities noted herein rely on reputable or trustworthy data providers, it should not be relied upon as such. Opinions expressed are the author(s)’ current opinions as of the date appearing on the material only and we do not undertake to advise you of any change in the reported information or in the opinions herein.

Any references to Societe Generale herein are purely factual, based upon publicly available information, and included for comparative purposes only. They do not constitute an opinion or recommendation with respect to the securities of Societe Generale.

This publication was prepared and issued by the entity referred to herein for distribution to eligible counterparties or professional clients. The information in this report is intended for general circulation and does not constitute an offer to buy or sell any security, investment, legal or tax advice nor a personal recommendation, as defined by any of the aforementioned regulators. It does not take into account the particular investment objectives, financial situations, or needs of individual investors. The report has not been reviewed by any of the aforementioned regulators and does not represent any official recommendation from the aforementioned regulators. The investments referred to herein may not be suitable for you. Investors must make their own investment decisions in consultation with advice sought from a financial adviser regarding the suitability of the investment product, taking into account the specific investment objectives, financial situation or particular needs of any recipient of the recommendation, before the recipient

makes a commitment to purchase the investment product.

The analysis contained herein is based on numerous assumptions. Different assumptions could result in materially different results. The information in this report does not constitute, or form part of, any offer to sell or issue, or any offer to purchase or subscribe for shares, or to induce engagement in any other investment activity. The value of any securities or financial instruments mentioned in this report may fluctuate subject to market conditions. Information about past performance of an investment is not necessarily a guide to, indicative of, or assurance of future performance. Estimates of future performance mentioned by the research analyst in this report are based on assumptions that may not be realized due to unforeseen factors like market volatility/fluctuation. In relation to securities or financial instruments denominated in a foreign currency other than the clients' home currency, movements in exchange rates will have an effect on the value, either favorable or unfavorable. Before acting on any recommendations in this report, recipients should consider the appropriateness of investing in the subject securities or financial instruments mentioned in this report and, if necessary, seek independent professional advice.

The securities described herein may not be eligible for sale in all jurisdictions or to certain categories of investors where that permission profile is not consistent with the licenses held by the entities noted herein. This document is for distribution only as may be permitted by law. It is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation or would subject the entities noted herein to any regulation or licensing requirement within such jurisdiction.
